To whom it may concern,

I, Anna Zakrepine, Creative Director at Azad Watches Inc, strongly recommend Yvan Kashanian for the next web project for your company. Mr. Kashanian was employed by Azad Watches Inc to create our official website both mobile and computer versions with E-commerce capabilities.

Mr. Kashanian is a very responsible individual with absolutely stunning innovative ideas which could bring your personal or company website to a completely different level. His original web design style truly helped the Brand portray the right image, and, therefore, gain a better presence on the current market. In addition, Mr. Kashanian is able to follow through to ensure that the specific projects are finished on time.

I highly recommend Mr. Kashanian as he can, without any doubt, be a great asset in your company's future achievements. If you would like more details, please do not hesitate to contact me.

Yours Sincerely,

Anna Zakrepine
