Re: Mr. Yvan Kashanian

TO WHOM IT MAY CONCERN:

Milano Diamond Gallery, LLC hereto referred to as “Milano”, an entity organized under the laws of State of Delaware, United States of America, are an importer and wholesaler of diamonds, precious and semi-precious stones; and diamond, precious- and semi-precious studded gold and silver jewelry, watches and similar luxury items that we resell through a chain of jewelry stores that are operated under the name of Milano Diamond Gallery both in the Caribbean and in Alaska. We also specialize in new cuts of diamonds and it will not be an exaggeration to call our-selves ‘creative jewelers’.

For the last 1 year or so, we had been assisted by Mr. Yvan Kashanian in our advertising and promotional efforts – mainly through print media, interactive ‘windows touch screen’, talking mannequin, and digital creation with animation. His work included professional jewelry photography and videography and editing thereof in ADOBE software suite. Mr. Yvan installed ‘Talking Mannequin’ and ‘Interactive Touch Screen’ in a number of our retail stores. Flyers for cruise ship mailings created by Mr. Kashanian were a great success.

During his tenure Mr. Kashanian has demonstrated sound knowledge of computer hardware and software and has shown professionalism, dedication to his work and pleasant work habits. He had been very creative and open to suggestions and healthy criticism. We have no hesitation in recommending him for a job related to creative advertising and interactive advertising.

If I could provide any further information please do not hesitate to call me at 212 – 493 -0293 (x105). Thank you for your courtesy and consideration.

Sincerely
MILANO DIAMOND GALLERY, LLC
